

The Summer Practice @Centric will take place between 29 of June - 15 of July, only online, using Microsoft Teams.

The maximum number of participants is 15 and they will be constantly evaluated by the trainers, based on their team and individual activity. At the end of the program, each student will receive a certificate of attendance and a grade for his/her activity.

In order to participate, we invite you to send an email to [SummerPractice@centric.eu](mailto:SummerPractice@centric.eu)<<mailto:SummerPractice@centric.eu>>, by 25 of June, in which you must mention:

- \* Full name and phone number
- \* The reason why you want to join the Summer Practice @Centric Program
- \* Your year of study
- \* The exam grades for Programarea Calculatoarelor si Limbaje de Programare (PCLP) and Informatica Aplicata (IA)

The 15 students will be selected based on the details mentioned above, should be in the 2nd or 3rd year and will be announced via phone or email.

Best of luck!
